## Message From Principal

Dear Friends,

I have the honour and privilege of working as the Principal of this College. The College was established by Prof. Dr. Sanjay Chordiya, Founder President and Chairman of Suryadatta Education Foundation who cherished the dream of making this college a Centre of excellence in Hotel Management, Travel and Tourism. During the last 13 years, all the staff-members have been working hard to the task of realizing this dream. The Suryadatta Group has emerged as a reputed brand devoted to quality Management education by Industry leaders with proven track records.

I firmly believe in the mission of the College:

To offer all students the opportunity to develop their knowledge, skills, abilities and attitude required in the hotels, for making a successful career in the hospitality industry. To develop the personality of students as required by the hospitality industry. To make students worthy citizens of the nation. It has been my conviction that an excellent education can be given to the students, though excellent infrastructural facilities and experienced student faculty. Our Library is enriched with books. The Internet facility helps students to browse through various international journals.

In the Service Industry, it is important to practice courtesy and manners, develop one's personality and communication skills and be disciplined. One must have the right temperament towards the service industry, an important aspect covered in the curriculum.

I am happy to record here that our efforts have paid ample dividends. Our students are well placed in the Hospitality Industry and the Hotels have recognized us as one of the good Training Centre in the Private sector.

# EXCITING CAREERS IN HOSPITALITY, CRUISELINES, AVIATION & TOURISM SECTOR

Tourism is recognized as one of the world's largest industries and continues to expand at a rapid rate (UNWTO 2006). Over 922 million people travelled in 2008 and it is estimated international tourism will increase to 1.1 billion by 2020 (UNWTO 2008).

International Hotel Chains such as the Hilton, Starwood, Radisson and Accord have already started operations in India. Indian Chains like the Taj Group, Oberois, Welcomgroup and Leelas are expanding rapidly. The emergence of branded budget and economy segment hotels also present tremendous career opportunities. Entrepreneurs seeing the enormous opportunities are investing in the Hospitality Sector too. In addition to hotels, jobs are also available in the Cruise lines, Airlines, theme parks, and international restaurant brands. Multinational Companies (MNCs) prefer Hospitality graduates for handling the front office and guest relations. The retail sector, private banks and even hospitals are employing Hospitality graduates in their facilities and admin departments. There are thus manifold career opportunities for students who pursue the Hospitality Studies Program.

## SIVAS - SSIHM 100% Internships in India at 4/5/7 Stars Properties (2018-21 Batch)

Internship or Industry training forms an integral part of the Curriculum. This is the time when the students experience the nuances of the Hospitality Industry. The Industrial training enables students to relate the knowledge and skills acquired in the classroom, with systems, standards and practices used in the Hospitality Industry.

Quite often students receive final job offers from the hotels they are training in during the internship itself. SIVAS-SSIHM students undergo the Internship in prestigious hotels both in India and abroad.

International Internship provides tremendous opportunity for learning of foreign languages, a global perspective to business practices and cultural exchange opportunities that are second to none.
